Dear Donor,

With help from YOU, we are changing lives through literacy. In 2018, 57% of learners entered our program at a Grade 0-2 literacy level. But with the dedication of our volunteer tutors, we deliver on our mission and ensure all people have the opportunity to achieve their goals, develop their knowledge, and reach their full potential. Thank you for supporting local literacy efforts and your continued partnership through times of change and uncertainty. We look forward to more progress in 2019!
